Grandparents Go Back to School

Last Friday, grandparents and special friends were back to school supporting our students.

An appreciative audience packed the hall and enjoyed a combined Kinder, Year 1 and Year 2 performance of 'Mr Clicketty Cane'. Cody MacAulay and Will Milgate, from 2B, demonstrated confidence and leadership by addressing the whole assembly. The picnic in the school grounds afterwards finished off a great day.

CAPERS Inspires Students

Last Friday, Ms Secombe, Mrs Pease and Mrs Foran took students who have shown a love of performing over to Tamworth for CAPERS 2013.

All students and adults were inspired by the polished performances and are hoping to do their own performances later on this year. Thanks to Mrs Pease and Mrs Foran for supporting our students.

Fishing Fun

On Friday, 8th November, eligible students from Stage 2&3 will get to go fishing down at the river near Donnelly fields. This reward had to be postponed last term due to the rainy weather. Let's all hope there is no rain now until Saturday!

Lavendar & salvias have joined the mop top and grass plants out the front.

Year 6 Photo

The Year 6 photo will be taken tomorrow, Wednesday, 6th November. Year 6 students are reminded to wear their year 6 shirts.

From the Principal...

Dear Parents & Carers,

Congratulations to the students for the way they have committed to doing their best at school every day.

This week we are taking kids fishing for a mid term rewards day. Students in stage 2&3 who have done their best and followed school rules have been invited to attend what promises to be a great day by the river.

The new uniforms continue to be very popular and we have plenty of sizes for all who still want new items of clothing.

Next week Stage 2&3 students will be going to Lake Keepit for 4 days. Camps like this are another way that your school provides quality learning opportunities. Lake Keepit Sport and Rec camp develops confidence, self esteem, organisation skills and social interaction in a variety of settings. Everybody should have a great time.

Kindergarten enrolments for 2014 continue to grow but we have room for more. If you know of anybody who is intending to enrol their child in Kindergarten next year ask them to contact the school as soon as they can.

Have a great week,

Stephen de Roos

Swimming School

Our annual swimming school begins on Monday, 11th November and runs for 10 days. This gives our Year 2&3 students the opportunity to participate in free swimming lessons so they can learn to be safe in and around water.

Eligible students will receive permission notes this week.
