Dear Parents/Carers

Congratulations to 3/4H and Mr Clark for the quality presentation of their work on 'Fantastic Mr Fox'. Students in 3/4H used a comic creation app on their iPads to produce a piece of writing. The pride they showed in their work was obvious.

Congratulations also to 3/6F for the smart way they are using spelling apps to assist with their learning. The students are able to practise spelling skills and then do their spelling test using iPads. Their teacher is able to monitor their progress by accessing the information over the internet. Immediate feedback is given about spelling strengths so that adjustments can be made to learning activities.

Our students are confident with technology and our teachers are able to use technology to keep our students Serious About Learning.

Next week six students from Gunnedah Public School will be representing us at the Festival of Instrumental Music in Sydney. They will be the first students from our school to play the recorder in the Sydney Opera House. Thanks to Ms Rowena Singleton and Gunnedah High School for enabling this great honour for our students.

Regards

Stephen de Roos
