Dear Parents/Carers

At Gunnedah Public School we are Serious About Learning. When visitors to our school comment about the way our students are patient, committed and enthusiastic in everything they do, all of us know that our school is a great school.

So, congratulations to all of you for the way you support your children to be the students that people notice and comment upon.

This week is Education Week. Education Week is a celebration of public education. Thank you for celebrating the effort that your children commit to, by coming to their class and seeing what we are doing to produce the leaders of tomorrow.

Our recorder group again represented the school at the Gunnedah High School NAIDOC celebrations. Thanks to the girls and Ms Singleton.

Have a great week

Regards

Stephen de Roos

Buddying Up!

Last Thursday our Early Birds students attended their 2nd session of school transition. They spent time enjoying the company of our 3/4 students as they listened to a story, checked out the vegetable garden and then played “Duck, Duck, Goose”.

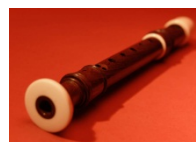

The students from 3/4 enjoyed engaging with the youngsters and acting as ‘buddies’. They will spend time with the Early Birds each week, forging friendships and assisting them to make a smooth transition into school.

Recorder Group Presentation

Last Friday, Rowena Singleton from Gunnedah High School presented a slideshow of the recorder group's recent Sydney trip. It was such a great trip for the girls and an experience of a lifetime. Ms Singleton also presented our school with a photo canvas and other gifts in recognition of our involvement in the Festival of Instrumental Music 2014 at the Sydney Opera House. Ms Singleton also thanked the parents for attending.

Gunnedah Public would like to sincerely thank Ms Singleton and Gunnedah High School for this amazing opportunity, as well as the time and effort that went into organisation and preparation.
