Dear Parents/Carers

This week we are practicing our evacuation and lockdown procedures at school. This is so we can maintain the high level of protection necessary to keep students safe at school.

The school is constantly improving the way we do things.. Currently we have our system of rewarding good behaviour at school and we also have a timeout system to help students who are not meeting expectations. We will keep these systems and ask for parents to assist us when we develop and improve current practices.

Our Early Birds Transition to Kindergarten allows students starting school to begin their first year of school confidently and successfully. Parents of students starting Kindergarten in 2015 are invited to inspect our facilities and enquire about the program.

Uniforms for Sale

We have all items of uniforms for sale at school. Please come in and see us at the office.

Student attendance at school is compulsory

All school aged students must attend school. When students can't attend, contact must be made with the school explaining reasons for absence.

Kind Regards

Stephen de Roos
