Principal: Mrs Cathie McMaster

Year 6 - Project Based Learning

Last week, Year 6 combined what they have learned in English, Maths, Geography, Creative Arts and Technology.

In groups, they have designed structures, sketched them, built them and filmed directions for someone else to replicate.

STAGE 1 Christmas Concert

Our Stage 1 Christmas concert will be held on Tuesday, 3 December from 12pm.

If anyone has any spare Santa hats sitting around home that we could borrow for the concert, that would be great. All students will be needing one.

We are also looking for parents who could help make costumes for the Christmas concert too.

If you are able to help with either of these things, please contact your child's teacher or the school office.

Assembly

Merit Awards!

KH - Brody Lancaster & Nicola Sawyer

K/1R - Bloom Riley & Bryden Talbott

1A - Liam Meredith & Alice Mulherin

1/2L - Xavier Silver & Kobe Kelly

2L - Ella Davis & Charli Mills

NEEDED AND APPRECIATED*****

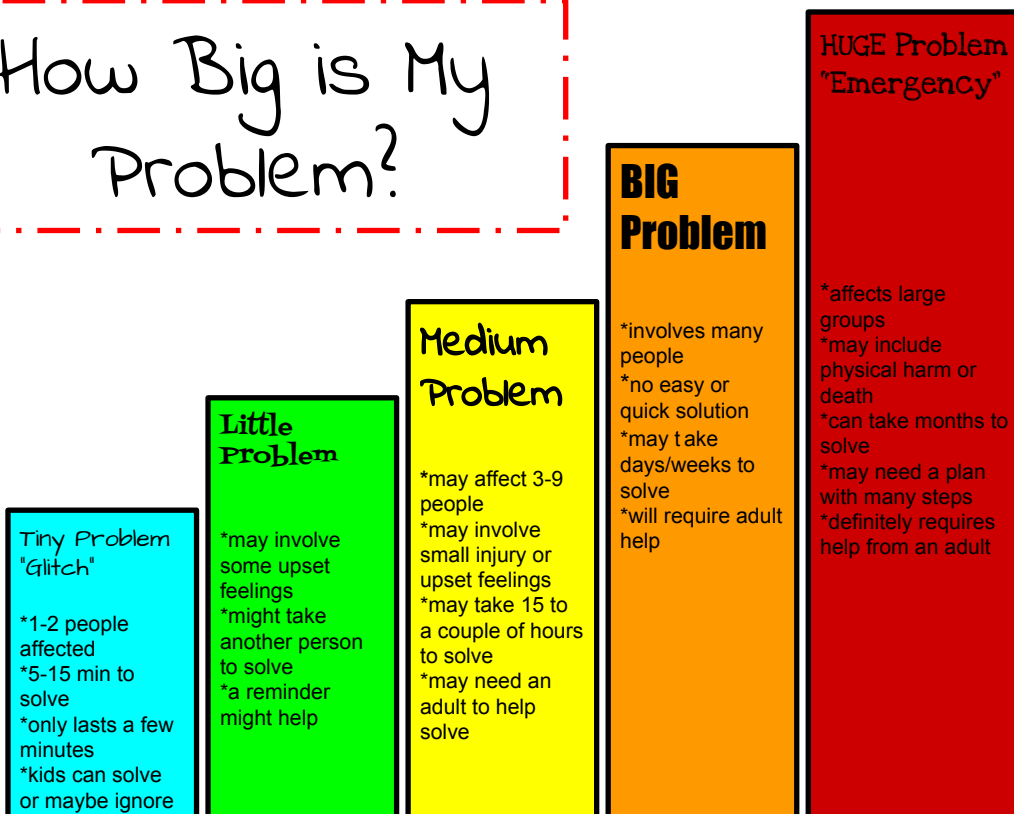

*If you are able to help out with canteen
on Thursdays this term or next, please
contact Ray Williams on 0419 669 498.*

Positive Behaviour for Learning

Week 6's PBL focus is 'Is it a small problem or is it a big problem?'

We all experience problems; they're a part of life. We can't avoid them even if we use our best social thinking. It's a hidden rule that when we're around others, our reaction size (the behaviour we show on the outside) should match the size of our problem. But sometimes our feelings about a problem are much bigger than the problem itself! This week, students will learn how to deal with all problems - big or small.

How Big is My Problem?

****The size of my reaction needs to match the size of my problem!****
