Science in 5/6A

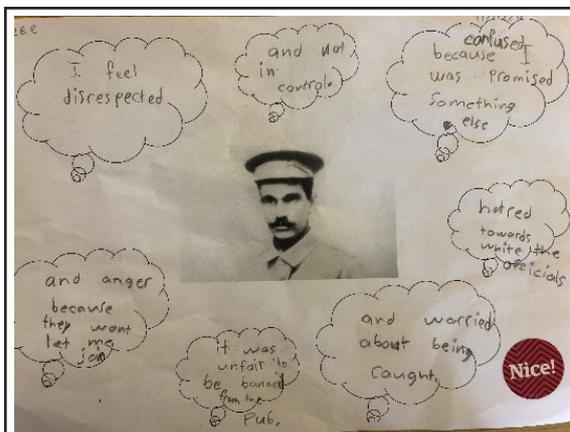

The students in 5/6A are continuing their investigation into how light is impacted by objects to make effective shelters. The students recently completed an inquiry into dome shelters, how they are constructed and why they are effective.

Remembrance Day lessons

Last week classes have participated in lessons about Remembrance Day. To combine Remembrance Day and NAIDOC week, 3L discussed how it may have felt for Aboriginal soldiers before, during and after World War 1. Some very insightful comments were put forward by students.

The students in 1N created a Venn diagram to show the differences and similarities between Remembrance Day and ANZAC Day. Remembrance Day is an international celebration while ANZAC Day pays tribute to Australian and New Zealand troops.

Kinder Music

The students in Kinder love their music time with Mrs Rennick each Monday.

Echidna Story

Adam and Troy Cutmore bought in these echidna spines last week to show us all. Their dad caught the echidna and they cooked it over the fire and ate it. The boys told us all about it.

BOOK CLUB

Orders/money for Issue 8 to be returned by 25 November 2020. This is the last chance to order for 2020.

LIBRARY BOOKS

PBL Winners

Congratulations to Eliza Hartup who has filled her first egg on her chart so will be going for a milkshake with Mrs Mac.

Remembrance Day Service

Our students held a very respectful and informative service for Remembrance Day last week.

LETTER DAY FUNDRAISER

What a fun day students and staff had last week dressing up as their 'class letter' and raising much needed funds for our school P&C.
