### Presentation Day

Presentation day this year will look very different. Unfortunately we are unable to have parents attend our day due to the COVID requirements in regard to our personal school setting. But do not worry, students and their families will not miss out. We will present the major awards to students in front of their peers on Wednesday the 9th, with photos and cheering!! We will also be producing a short movie depicting the year that was. All the award recipients and movie will be posted on our Facebook page and in our newsletter, but if you would like the movie on a thumb drive, please send one into the school with your child anytime after Wednesday 9th.

## PBL

Our PBL focus for this week is: "Sun safety".

Our school follows the Department's sun safety policy. All students must wear a broad brimmed hat to play in areas which do not have cover. If they do not have a hat, there are alternative places in the school to play.

A good rule of thumb for skin cancer prevention is following the 5 S's: "Slip, Slop, Slap, Seek, Slide."

### Protect yourself in 5 ways

Sun protection at any age is important
