Excursion for 1N & 1/2L

The students from 1N and 1/2L really enjoyed their time at the Rainbow Serpent Water Feature and Wolseley Park last week!

SWIMMING & WATER SAFETY PROGRAM POSTPONED

PBL

This week our PBL focus is "Social Skills". This week students will be given different scenarios and asked what they should do in those scenarios.

Getting ready for GHS

These Year 6 students were very excited this morning to be spending the day at Gunnedah High School in readiness for 2021.

IT'S HOT!!

Please remember your hat and water bottle every day!

P&C Christmas Raffle

Thank you to the families who have returned their sold raffle tickets.

We have had very few raffle tickets come back from families. The P&C donate money to the school to help ensure that your children have the opportunity to go on excursions at a hugely reduced cost. They help out with programs we want to run for your children and ensure that all children have the same opportunities.

Please support the P&C, who are supporting your children, by selling as many raffle tickets as possible.

A huge thank you to the five students who gave up an hour of their Saturday to help sell tickets outside Woolworths. Mrs Robinson and myself were outside Woolworths for five hours on Saturday and with the help of the students and Miss Austin we sold a whopping 780 tickets. The Gunnedah community are being so incredibly supportive of our school and for that, we are very humbled.

Good for Kids good for life

KEEP THE LUNCHBOX COOL

As the weather warms up it is important to keep the lunchbox cool so that food stays safe to eat.

Using an insulated lunchbox with an ice brick can keep the lunchbox 12° cooler.

You could also try a frozen:

- Water bottle
- Milk popper
- Yoghurt

These double as a refreshing drink or cool snack as they defrost.
