Winter Uniforms

All students will now need to be in winter uniform. Uniforms are available at the front office. Please ensure that you have your child's name or family name on ALL items especially on jumpers, jackets & hats. This way if anything is lost, we are able to return to the owner.

Dear Parents and Carers,

We have been allowing students to borrow school hats or school jackets if they do not have these items or if their items are not part of the school uniform. While students are not "in trouble" if they are not in uniform, we ask them if they could swap for the day to encourage all students to wear school uniform.

Please remember that all items of school uniform, both new and second-hand, are available for purchase from the school at any time during the school day.

Keeping safe

You might notice some new markings around our school. These bright stickers help our students and staff maintain social distancing. These are some of our students at bus lines this afternoon patiently waiting for their buses to arrive.
